

VOTE Michael T. Bennett
Goleta City Council
Slow Growth - Public Safety - A Better General Plan

This City Council election is not about growth in our City. None of the candidates running for election are in favor of rampant growth within our community.

I support slow growth.

This election is about a number of issues that affect us as Goleta residents. This Council is telling you how to live your life.

One of those issues is **fairness and equality in our neighborhoods.**

Did you know that if you wanted to remodel your home you could only add 50% to your existing house square footage. If your neighbor has an 1800 square foot house, the neighbor can add 900 square feet. If you have a 1200 square foot house, you can add only 600 square feet, even if your lot size is larger.

Is that fair? NO!

Did you know that if your neighbor has a so-called “Granny Flat” next door, the city would not allow you to build one. The City Council has determined that “Granny Flats” can only be built every 300 ft. in your neighborhood.

Is that fair? NO!

It is important that you either vote by absentee ballot or go to your polling place on November 7th

I would be honored to have your vote.

Vote for fairness and leadership
